Enzo Conty

Hello, let me introduce myself. I am Enzo Conty. I am a senior mobile engineer.
I am passionate about computer science for 10+ years now.
I learn multiples programming languages to be the most versatile.
I've worked on many projects that are interresting and allowed me to improve my skills.

I hope we can meet so I can introduce myself in person.

EXPERIENCE

- 2024-Now: CTO
  Ezymob (Paris & Remote).

  Appointed CTO after 3+ years collaborating with Ezymob as a senior Flutter consultant, to own the company's technical vision for accessible mobility products and align it with business and product roadmaps.

- 2018-2024: Mobile Freelance Developer
  Self-employed (Remote).

  Contractor for multiples companies, including Canonical (Ubuntu), Betclic Group, Ezymob.
  Build 20+ apps over the years, with large and medium team sizes or even as a solo developer.

TRAINING

- 2020: Epitech Graduate
  Master Diploma in Information Technology
  Epitech, Paris Graduate School of Digital Innovation (France)
